

**Lee County Well Permitting
Interim PROCEDURES**

**PRE-PAIDS
&
PERMIT APPLICATIONS
DROP OFF**

Send Advance Notice of Applications via fax or e-mail. You will be notified when the permits are ready for pickup and of the total fees due. You may fax your credit card authorization form directly to the Cashiers Station, or pay by cash, check, or credit card in-person after visiting the Wells Station. Your permits will be faxed to you if you are paying remotely by credit card.

Our Cashier Department CANNOT hold checks or cash for any length of time, but they can hold faxed "Credit Authorization" forms which must be faxed directly to the Cashier Station with notions (what they are for) attached.

We appreciate everyone's patience with these changes, and we will strive to do our best to continue to give you quality service in prompt & courteous manner.
