

**THE MOBILE TOUR HAS BEEN CANCELLED DUE TO A  
FORCASTED SEVERE RAIN STORM**

**On Wednesday, February 13, 2008 beginning at 9:00 a.m.**, Lee County Staff and the Density Reduction/Groundwater Resource (DRGR) Steering Committee will take part in a bus field trip covering the Southeast Lee County DRGR area. This trip will include a visit to a mining operation within this area. The bus will leave from 1500 Monroe Street at 9:30 a.m. Staff anticipates the trip may take the entire business day.

Two or more members of the Committee will attend this field trip and may discuss issues during the course of the field trip. However, no official action will be taken by the Committee during this field trip. Members of the public are welcome to participate, but should plan to provide their own transportation. Seats will be offered to members of the public on a first come, first served basis to the extent additional seats are available.
